

The Arts Station Gallery Show Application Information

The Arts Station is operated by the Fernie District Arts Council, a registered charity administered by a Board of Directors and staff operational team. The Gallery is facilitated by the staff operational team in conjunction with the Gallery Selection Committee (a committee of the operational team). The Gallery Selection Committee are responsible for selecting up to 12 gallery shows a year, each exhibiting for one month (from the last Thursday of the month to the last Tuesday of the following month).

Our art gallery is open during our opening hours (Monday - Saturday, 10-3pm plus online at all hours via theartsstation.com). It functions as the entry hall to the building and is a bright space, approximately 5m x 8m with high ceilings, heritage features and a beautiful brick fireplace as a focal point. Large wall spaces are balanced with smaller nooks and a professional hanging and adjustable lighting system create a great space to display many different art forms. We encourage you to visit the space before applying, if possible. Presentation of the artwork should be a consideration when curating your proposed show, with the type of space playing an important role in this.

The gallery is free to enter, funded as a core program of the Arts Station and through the commission we take on sales. The mission of The Arts Station gallery is to showcase emerging and developing artists in an effort to enrich the local arts and culture community in Fernie.

The Arts Station encourages applications from all backgrounds, identities and disciplines, and aims to represent the full diversity of the Elk Valley's cultural landscape. Each year we aim to feature different art forms such as visual arts, photography, fibre art, pottery, and sculpture. During Arts Station hours the gallery has an attendant who answers questions and completes sales or commission requests.

Applying for an exhibit will be via theartsstation.com only. If you need assistance please watch the "how-to" video on the Fernie Arts Station YouTube channel. If you require further assistance please get in touch with Arts Station staff ahead of the deadline.

The application form allows for two photos to be attached either demonstrating the style of work you plan to create or images of work already completed to be included in the show. The remainder of your portfolio should be in a digital format provided in the website/socials/portfolio section. This could be your website, Art social media or a Google Drive folder. If you are unsure about this aspect please contact us to discuss further.

The Gallery space is not large so we suggest between 10-15 pieces (depending on size or medium). You can provide more pieces but they will not all be hung, the hanging committee has the discretion to select & curate the pieces displayed that best work for the space.

Please read the **Gallery Policy below**, detailing the application and programming procedure, and the **Artist Agreement**, made between FDAC and exhibiting artists, for a full understanding of what is involved before applying to exhibit at the Arts Station.

We also encourage artists to attend Professional Development for Artists, hosted in January 2021, before submitting an application.
