

Kiln Hire Costs

- The kiln can be hired to fire independent potters work. By appointment only, sign up via the website.
- Minimum 1 week notice, 2 weeks during busy time (holidays)
- Appointment time is for drop off during studio hours. You will be met by the tech who will load and fire your pieces. Please have pieces organized in boxes, bins etc.
- This service is available to emerging potters who are creating at home but have yet to purchase their own kiln.
- This service is subject to availability and not to be used by full commercial operations*.
- The kiln is ONLY loaded by the in house pottery technician.
- FDAC cannot guarantee work and the service is used with an expected level of risk associated with the pottery process.
- Timelines cannot be guaranteed and should be booked in advance especially during peak times such as late fall for the holiday season.
- Any pieces that exceed the space limit paid for will not be put in the kiln unless discussed with the tech who will invoice for extra space used.
- If there is a priority to which pieces you would like fired first that must be communicated to the tech.
- If the entire kiln is paid for but the amount of pieces do not completely fill the kiln then the remaining space will be filled by other works and there could be a slight delay. No refund is available.
- Potters must provide proof of Cone 6 clay and glazes.
- If significant damage is done to the kiln the potter may be liable.
